## COOK KODY

---

### Think Again Penguin

Summer 1938. Europe is teetering on the brink. In the far corners of the world, the intelligence agencies of the major powers fall into a frenzy of relentless warring. One Mr Stern, an engineer, becomes the stakes in this shadowy conflict. In Istanbul, Max Friedman and the intoxicating Magda Witnitz will do everything to save him.

American Comic Strips Before 1918 DC Comics

#1 New York Times Bestseller "THIS.

This is the right book for right now. Yes, learning requires focus. But, unlearning and relearning requires much more—it requires choosing courage over comfort. In *Think Again*, Adam Grant weaves together research and storytelling to help us build the intellectual and emotional muscle we need to stay curious enough about the world to actually change it. I've never felt so hopeful about what I don't know."

—Brené Brown, Ph.D., #1 New York Times bestselling author of *Dare to Lead*  
The bestselling author of *Give and Take* and *Originals* examines the critical art of rethinking: learning to question your opinions and open other people's minds, which can position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, there's another set of cognitive skills that might matter more: the ability to rethink and unlearn. In our daily lives, too many of us favor the comfort of conviction over the discomfort of doubt. We listen to opinions that make us feel good, instead of ideas that make us think hard. We see disagreement as a threat to our egos, rather than an opportunity to learn. We surround

ourselves with people who agree with our conclusions, when we should be gravitating toward those who challenge our thought process. The result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other side wrong, and politicians campaigning for approval--and too little like scientists searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can become. Organizational psychologist Adam Grant is an expert on opening other people's minds--and our own. As Wharton's top-rated professor and the bestselling author of *Originals* and *Give and Take*, he makes it one of his guiding principles to argue like he's right but listen like he's wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being wrong, bring nuance to charged conversations, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, a vaccine whisperer convinces concerned parents to immunize their children, and Adam has coaxed Yankees fans to root for the Red Sox. *Think Again* reveals that we don't have to believe everything we think or internalize everything we feel. It's an invitation to let go of views that are no longer serving us well and prize mental flexibility over foolish consistency. If knowledge is power, knowing what we don't know is wisdom. *Cat Person* PediaPress

"An amazing collection of cartoons . . . imaginatively drawn and smartly written,

the strips encompass the poignancy, impermanence, and fleeting everyday pleasures of the daily grind. It's all here: the humor, the pathos, the banality—and it's treated with such forthright affection that the results are downright giddy. "When Pat Brady puts pen to paper, readers can't resist following his original images and tight story lines. This creator pulls more material from the one-child Gumbo family than other cartoonists can with five times the number of characters and settings. That magic comes through in Brady's seventh collection, *Rose is Rose Running on Alter Ego*. The lively series of daily and Sunday strips revolves around Rose—devoted wife and doting mother—who, try as she might, just can't keep her biker chick fantasies totally in check. Rose never knows, as she manages her blue-collar husband, Jimbo, and their energy-fired son, Pasquale, when Vicki the Biker may show up. But when the long-haired, short-skirted babe surfaces, it's always with a breath of fresh air and a fresh take on "normal" family life. Besides appearing on the cover, Rose as Vicki shines throughout the collection, in six new full-page drawings created just for the book. Each shows the seemingly satisfied housewife's alter ego performing some mundane chore demanded by Rose's less adventurous life, while Brady's usual mix of family fun, frolic, and fancy gives Gumbo fans plenty of delight.

**Little Ego** IDW Publishing  
Twilight Sparkle, Applejack, Pinkie Pie, Rarity, Rainbow Dash, and Fluttershy—plus the whole cast of My Little Pony—are ready for all-new adventures, pulled right from the feature-length film coming to theaters in 2017! Lighting up theaters everywhere in October, and featuring new stories,

songs, and characters to celebrate the occasion, the first new My Little Pony movie in more than a generation is ready to capture audiences by storm.

Jimmy Gownley's graphic novel memoir about the "dumb" idea that changed his life forever! What if the dumbest idea ever turned your life upside down?

The Dumbest Idea Ever! Jinxworld  
The #1 New York Times bestseller. Over 4 million copies sold!

Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving—every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their

craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. *Atomic Habits* will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

[Kick-Ass 2 Prelude](#) Knopf

So much has been left unsaid about the passing of legendary music innovator Prince Rogers Nelson. Prince, a prolific musician from Minneapolis, started a musical revolution with the hits "1999," "Little Red Corvette," "When Doves Cry," "Purple Rain," "Batdance," and more, challenging even the "King of Pop," Michael Jackson, for chart supremacy during the 1980's. "Tribute: Prince Rogers Nelson" features new pages and a special cover by rock artist David Frizell. So much has been left unsaid about the passing of legendary music innovator Prince Rogers Nelson. Meet one hundred of the strangest superheroes ever to see print, complete with backstories, vintage art, and

colorful commentary. You know about Batman, Superman, and Spiderman, but have you heard of Doll Man, Doctor Hormone, or Spider Queen? So prepare yourself for such not-ready-for-prime-time heroes as Bee Man (Batman, but with bees), the Clown (circus-themed crimebuster), the Eye (a giant, floating eyeball; just accept it), and many other oddballs and oddities. Drawing on the entire history of the medium, *The League of Regrettable Superheroes* will appeal to die-hard comics fans, casual comics readers, and anyone who enjoys peering into the stranger corners of pop culture.

[Everything is Flammable](#) Idea & Design Works LLC

The groundbreaking graphic memoir that inspires breast cancer patients to fight back—and do so with style. "What happens when a shoe-crazy, lipstick-obsessed, wine-swilling, pasta-slurping, fashion-fanatic, about-to-get-married big-city girl cartoonist with a fabulous life finds . . . a lump in her breast?" That's the question that sets this powerful, funny, and poignant graphic memoir in motion. In vivid color and with a taboo-breaking sense of humor, Marisa Acocella Marchetto tells the story of her eleven-month, ultimately triumphant bout with breast cancer—from diagnosis to cure, and every challenging step in between. •One of Time's top ten graphic novels of the year •Slate.com's medical book of the year •One of the Wall Street Journal's five best books on living with illness •Finalist, Books for a Better Life •Finalist, National Cartoonists Society Graphic Novel of the Year "Powerful . . . A vibrant, neon chronicle with plenty of attitude . . . A triumph of imagination and spirit." —Los Angeles Times "Ebullient . . . Visually invigorating and unflinching." —The New York Times Book

Review "Irresistibly authentic . . . These words and pictures convey humility and humanity with witty grace and heartfelt power." —The Miami Herald "Funny, eye-opening, moving." —Time

**Catwoman: Selina's Big Score** Panini Inducted into the comic book hall of fame in 2005, Gene Colan's legendary work spans from Tomb of Dracula to Howard the Duck, but Daredevil is considered his signature series. Fan forums have long cried out for a definitive collection of his Daredevil works, so this compendium follows his finest works from the early 70s in collaboration with writers Roy Thomas and Gerald F. Conway. UK exclusive.

Little Ego TurtleMe

A 2015 Newbery Honor Book & New York Times bestseller! Going to school and making new friends can be tough. But going to school and making new friends while wearing a bulky hearing aid strapped to your chest? That requires superpowers! In this funny, poignant graphic novel memoir, author/illustrator Cece Bell chronicles her hearing loss at a young age and her subsequent experiences with the Phonic Ear, a very powerful—and very awkward—hearing aid. The Phonic Ear gives Cece the ability to hear—sometimes things she shouldn't—but also isolates her from her classmates. She really just wants to fit in and find a true friend, someone who appreciates her as she is. After some trouble, she is finally able to harness the power of the Phonic Ear and become "El Deafo, Listener for All." And more importantly, declare a place for herself in the world and find the friend she's longed for.

**El Deafo** Andrews McMeel Publishing "Originally published in single magazine form in FORTUNE AND GLORY 1-3."

**Supreme** Fulcrum Pub

This is the first collection of essays to offer a comprehensive analysis of, and reflection on, the major themes emergent in Jacques Lacan's seminars of 1955-56 and 1956-57: Seminar IV - the object relation, and Seminar V - formations of the unconscious. Assessing the value of a clinical approach orientated around the question of the object lack in the contemporary clinic, the book comprises 16 chapters which follow the development of a range of concepts elaborated by Lacan in these seminars, including sustained engagement with his critique of object relations theory. It considers the effectiveness of these early ideas in clinical practice in relation to hysteria, phobia, fetishism, obsessional neurosis, and of the so-called "Borderline" case. Lacan's early concepts are also subjected to critique for engagement with Queer theory, and research in asexuality or the operation(s) of the signifier Phallus. The chapters build to provide an invaluable resource to interpret and evaluate Lacan's early teaching, and to find in his early concepts a fresh utility and scope for both clinical work and psychoanalytic research and enquiry. The book will be of great interest to Lacanian scholars and students, as well as psychoanalytic therapists, and analysts interested in Lacan's early work.

No Pasaran! Vol. 2 Norma Editorial Sa A collection of Little Nemo's fantasy adventures, reprinted from the vintage comic strip.

The Beginning After The End Bluewater Streaming on Apple TV+ on Christmas Day #1 NEW YORK TIMES BESTSELLER · WALL STREET JOURNAL BESTSELLER · USA TODAY BESTSELLER "The Boy, the Mole, the Fox and the Horse is not only a thought-provoking, discussion-worthy

story, the book itself is an object of art.”- Elizabeth Egan, *The New York Times*

From British illustrator, artist, and author Charlie Mackesy comes a journey for all ages that explores life’s universal lessons, featuring 100 color and black-and-white drawings. “What do you want to be when you grow up?” asked the mole. “Kind,” said the boy. Charlie Mackesy offers inspiration and hope in uncertain times in this beautiful book, following the tale of a curious boy, a greedy mole, a wary fox and a wise horse who find themselves together in sometimes difficult terrain, sharing their greatest fears and biggest discoveries about vulnerability, kindness, hope, friendship and love. The shared adventures and important conversations between the four friends are full of life lessons that have connected with readers of all ages.

***Atomic Habits*** NBM

Written and illustrated by Eisner-award-winning storyteller Darwyn Cooke (DC: *THE NEW FRONTIER*), Batman’s original femme fatale, Selina Kyle (aka Catwoman) continues her incredible new adventures, walking a tightrope between a life of crime and the road to redemption! Selina’s Big Score finds the feline thief presumed dead, cut off from her fortune and desperate to make a lot of money...fast. When she hears about a mob train full of unmarked cash, she assembles a crew of professionals to assist her in taking it down. She needs the money quick but is she ready for the consequences? Searing crime action, delivered in the acclaimed noir style that only a master of the form like Cooke can deliver.

***Orient Gateway*** HarperCollins

A story about being your truest self—and trusting your truest friends—from bestselling author Terri Libenson. Perfect

for fans of Raina Telgemeier and Shannon Hale. Cliques. Crushes. Comics. Middle school. Ever since Tyler started getting into art and hanging out with Emmie, his friends and teammates have been giving him a hard time. He wonders why can’t he nerd out on drawing and play ball? Emmie is psyched that she gets to work on a comics project with her crush, Tyler. But she gets the feeling that his friends don’t think she’s cool enough. Maybe it’s time for a total reinvention. . . . Don’t miss the rest of the Emmie & Friends series: *Invisible Emmie*, *Positively Izzy*, *Just Jaime*, *Becoming Brianna*, and *You-Niquely You: An Emmie & Friends Interactive Journal!* [The Tenth Circle](#) IDW Publishing

The leftist forces are retreating north as Franco’s army advances with the help of German and Italian aviation. Max Friedman approaches the front, posing as a photographer in a small group of foreign journalists. He flashes back to battles fought with his old comrade Guido Treves, who has gone missing and is the object of his mission. Amidst the ruin of war, Claire, the pretty Belgian reporter who got Max his press credentials, is developing a strong attraction to him, arousing the jealousy of her fellow reporter and would-be-boyfriend, Phil Lester. Caught in the middle of a retreat, Max and Claire get separated from the rest of their group. They have to cross a mountain pass and take shelter in a hut -- the romantic tension builds, but gets snuffed by the urgent need to press onward.

***My Little Pony Equestria Girls: Canterlot High: March Radness*** Penguin

In graphic novel format, collects lesser-known stories about the nation’s capital, including those of the haunted Decatur House, the infamous “Red Spy Queen” Elizabeth Bentley, and the

reconstruction of the White House in 1948.

**Peacemaker: Disturbing the Peace (2022) #1 DC**

In the last fifteen years or so, a wide community of artists working in a variety of western European nations have overturned the dominant traditions of comic book publishing as it has existed since the end of the Second World War. These artists reject both the traditional form and content of comic books (hardcover, full-colour 'albums' of humour or adventure stories, generally geared towards children), seeking instead to instil the medium with experimental and avant-garde tendencies commonly associated with the visual arts. Unpopular Culture

addresses the transformation of the status of the comic book in Europe since 1990. Increasingly, comic book artists seek to render a traditionally degraded aspect of popular culture un-popular, transforming it through the adoption of values borrowed from the field of 'high art.' The first English-language book to explore these issues, Unpopular Culture represents a challenge to received histories of art and popular culture that downplay significant historical anomalies in favour of more conventional narratives. In tracing the efforts of a large number of artists to disrupt the hegemony of high culture, Bart Beaty raises important questions about cultural value and its place as an important structuring element in contemporary social processes.
