Fate of the Heroes La llave de Sarah
Based on the experience of real-life Auschwitz prisoner Dita Kraus, this is the incredible story of a girl who risked her life to keep the magic of books alive during the

Holocaust. Fourteen-year-old Dita is one of the many imprisoned by the Nazis at Auschwitz. Taken, along with her mother and father, from the Terezín ghetto in Prague, Dita is adjusting to the constant terror that is life in the camp. When Jewish leader Freddy Hirsch asks Dita to take charge of the

eight precious volumes the prisoners have managed to sneak past the guards, she agrees. And so Dita becomes the librarian of Auschwitz. Out of one of the darkest chapters of human history comes this extraordinary story of courage and hope. This title has Common Core connections. Godwin Books

Un libro inestimable que hace reflexionar sobre lo que la modernidad, en su necesario avance de progreso y mejoras, arrolla y relega al olvido. París, década de 1860. La ciudad está en pleno proceso de cambio, abandonando el París medieval para dar paso al París moderno y urbano. El barón

Hausmann, prefecto de la ciudad, por encargo del emperador Napoleón III llevará a cabo las grandes ideas y estrategias de esta radical reforma.

Cuando Rose se casó con Armand Bazelet sabía que se unía al hombre de su vida. Su larga unión fue algo hermoso e inquebrantable. Pero hace diez años que Armand ya no está. Y a Rose tan solo le queda la casa, la casa donde nació Armand, y su padre, y el padre de su padre. La casa de la calle Childebert, antigua y robusta, solo habitada por generaciones de Bazelet, que ha albergado mucha felicidad y también tristezas, y un terrible secreto jamás confesado. The first new novel in four years from the beloved superstar author of *Sarah's Key*, a heartbreaking and uplifting story of family secrets and devastating disaster, set against a Paris backdrop, fraught with revelations, and resolutions. "An absorbing tale of family secrets from the author of *Sarah's Key*." - People magazine "Hypnotic, passionate, ominous and tender—unforgettable." —Jenna Blum, New

York Times and internationally bestselling author of *Those Who Save Us* Linden Malegarde has come home to Paris from the United States. It has been years since the whole family was all together. Now the Malegarde family is gathering for Paul, Linden's father's 70th birthday. Each member of the Malegarde family is on edge, holding their breath, afraid one wrong move will shatter their delicate harmony. Paul, the quiet patriarch, an internationally-renowned arborist obsessed with his trees and little else, has always had an uneasy relationship with his son. Lauren, his American wife, is determined that the weekend celebration will be a success. Tilia,

Linden's blunt older sister, projects an air of false fulfillment. And Linden himself, the youngest, uncomfortable in his own skin, never quite at home no matter where he lives—an American in France and a Frenchman in the U.S.—still fears that, despite his hard-won success as a celebrated photographer, he will always be a disappointment to his parents. Their hidden fears and secrets slowly unravel as the City of Light undergoes a stunning natural disaster, and the Seine bursts its banks and floods the city. All members of the family will have to fight to keep their unity against tragic circumstances. In this profound and intense

novel of love and redemption, de Rosnay demonstrates all of her writer's skills both as an incredible storyteller but also as a soul seeker.

D. Perry explores Cuba's hip hop movement as a window into the racial complexities of the island's ongoing transition from revolutionary socialism toward free-market capitalism. Centering on the music and lives of black-identified raperos (rappers), Perry examines the ways these young artists craft notions of black Cuban identity and racial citizenship, along with calls for racial justice, at the fraught confluence of growing Afro-Cuban marginalization and long held perceptions of Cuba as a non-racial nation. Situating hip hop within a long history of Cuban racial politics, Perry discusses the artistic and cultural exchanges between raperos and

North American rappers and activists, and their relationships with older Afro-Cuban intellectuals and African American political exiles. He also examines critiques of Cuban patriarchy by female raperos, the competing rise of reggaetón, as well as state efforts to incorporate hip hop into its cultural institutions. At this pivotal moment of Cuban-U.S. relations, Perry's analysis illuminates the evolving dynamics of race, agency, and neoliberal transformation amid a Cuba in historic flux.

This stunning new novel from Tatiana de Rosnay, author of the acclaimed New York Times bestseller

Sarah's Key, plumbs the depths of complex family relationships and the power of a past secret to change everything in the present. It all began with a simple seaside vacation, a brother and sister recapturing their childhood. Antoine Rey thought he had the perfect surprise for his sister Mélanie's birthday: a weekend by the sea at Noirmoutier Island, where the pair spent many happy childhood summers playing on the beach. It had been too long, Antoine thought, since they'd returned to the island—over thirty years, since their mother died and the family holidays ceased. But the island's haunting beauty triggers more than happy memories; it reminds Mélanie of

something unexpected and deeply disturbing about their last island summer. When, on the drive home to Paris, she finally summons the courage to reveal what she knows to Antoine, her emotions overcome her and she loses control of the car. Recovering from the accident in a nearby hospital, Mélanie tries to recall what caused her to crash. Antoine encounters an unexpected ally: sexy, streetwise Angèle, a mortician who will teach him new meanings for the words life, love and death. Suddenly, however, the past comes swinging back at both siblings, burdened with a dark truth about their mother, Clarisse. Trapped in the wake of a shocking family secret shrouded by

taboo, Antoine must confront his past and also his troubled relationships with his own children. How well does he really know his mother, his children, even himself?

Suddenly fragile on all fronts as a son, a husband, a brother and a father, Antoine Rey will learn the truth about his family and himself the hard way. By turns thrilling, seductive and destructive, with a lingering effect that is bittersweet and redeeming, *A Secret Kept* is the story of a modern family, the invisible ties that hold it together, and the impact it has throughout life. A film is now in production, to star Melanie Laurent (*Inglourious Basterds*, *Now You See Me*), Laurent Lafitte (*The*

Crimson Rivers, *Little White Lies*), and Audrey Dana (*Roman de Gare*, *The Clink of Ice*) and will begin shooting in April!

Recordar la infancia puede despertar momentos anquilosados en la mente que harán que la vida no vuelva a ser la misma. Antoine Rey no deja de darle vueltas a los últimos y dramáticos acontecimientos que le han sucedido: su divorcio, el vacío que le produce su trabajo, el alejamiento de sus hijos... Todo su futuro se ha desvanecido, y ya sólo le queda el pasado. Por esta razón, aunque de forma un poco inconsciente, regala a su hermana Mélanie por su

cuarenta cumpleaños un viaje al lugar donde pasaban las vacaciones en su niñez, Noirmoutier. Después del éxito mundial de La llave de Sarah, Tatiana de Rosnay construye con una sentida habilidad narrativa una novela envolvente, emotiva, en la que la nostalgia se retrata suavemente sobre los personajes en su más tierna edad y la intriga se cincela precisa a lo largo de sus páginas. "Tatiana de Rosnay construye con una sentida habilidad narrativa una novela envolvente, emotiva." *Diario del Alto Aragón Ghetto Diary* Springer Nature Una novela conmovedora y cínica que recoge de manera irónica las experiencias de Hendrik Groen, un anciano de 83 años y

un cuarto, en una residencia de la tercera edad.

Spy Penguins Helen Lane Editions Fifteen-year-old Miguel, the son of a conquistador, embarks on a dangerous search for a temple of gold in the uncharted territories of Mexico.

El Zarco, the Blue-eyed Bandit Walter de Gruyter In the year 1492, the Inquisition has all of Spain in its grip. After centuries of pogrom-like riots encouraged by the Church, the Jews - who have been an important part of Spanish life since the days of the Romans - are expelled from the country by royal edict. Many who wish to remain are intimidated by Church and Crown and become Catholics, but several hundred

thousand choose to retain their religion and depart; given little time to flee, some perish even before they can escape from Spain. Yonah Toledano, the 15-year-old son of a celebrated Spanish silversmith, has seen his father and brother die during these terrible days - victims whose murders go almost unnoticed in a time of mass upheaval. Trapped in Spain by circumstances, he is determined to honor the memory of his family by remaining a Jew. On a donkey named Moise, Yonah begins a meandering journey, a young fugitive zigzagging across the vastness of Spain. Toiling at manual labor, he desperately tries to cling to his memories of a vanished culture.

As a lonely shepherd on a mountaintop he hurls snatches of almost forgotten Hebrew at the stars, as an apprentice armorer he learns to fight like a Christian knight. Finally, as a man living in a time and land where danger from the Inquisition is everywhere, he deals with the questions that mark his past. How he discovers the answers, how he finds his way to a singular and strong Marrano woman, how he achieves a life with the outer persona of a respected Old Christian physician and the inner life of a secret Jew, is the fabric of this novel. The Last Jew is a glimpse of the past, an authentic tale of high adventure, and a tender and unforgettable love story. In it, Noah

Gordon utilizes his greatest strengths, and the result is remarkable and moving.

The Gold of Dreams St. Martin's Press

razed, whole neighborhoods reduced to ashes. By order of Emperor Napoleon III, Baron Haussman has set into motion a series of large-scale renovations that will permanently alter the face of old Paris, moulding it into a "modern city." The reforms will erase generations of history—but in the midst of the tumult, one woman will take a stand. Rose Bazelet is determined to fight against the destruction of her family home until the very end; as others flee, she stakes her claim in the basement of the old house on rue Childebert, ignoring the sounds of change that come closer and closer each day. Attempting to overcome the

loneliness of her daily life, she begins to write letters to Armand, her beloved late husband. And as she delves into the ritual of remembering, Rose is forced to come to terms with a secret that has been buried deep in her heart for thirty years. Tatiana de Rosnay's *The House I Loved* is both a poignant story of one woman's indelible strength, and an ode to Paris, where houses harbor the joys and sorrows of their inhabitants, and secrets endure in the very walls...
