Medieval and Early Modern Times: Discovering Our Past McGraw-Hill/Glencoe

This introductory text surveys the techniques, methods and theoretical frameworks of contemporary archaeology. Coverage of method and theory resides in the context of an ideal research plan to explain what archaeologists do, how they conduct research, and how they use the results to construct our past. Integration of traditional and recent innovative approaches to archaeology provides a balanced scientific and humanistic perspective.

Discovering Our Past: A History of the World brings the sweep of historical events into focus as people, issues and events come to life for today's students. The program includes a strong emphasis on building vocabulary as well as tools for developing strong reading skills. The print student edition is aligned to the revised NCSS/Thematic Strands and Common Core State standards for Literacy in History/Social Studies. The program focuses on critical concepts through Big Ideas, Essential Questions and Enduring Understandings.

Discovering Our Past: A History of the United States-Early Years, Teacher Edition McGraw-Hill Education

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including

Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows. Discovering Our Past: A History of the United States-Early Years, Spanish Reading Essentials and Study Guide, Student Workbook McGraw-Hill Education

This brief, inexpensive introduction to the techniques, methods, and theoretical frameworks of contemporary archaeology follows the same organizing principle as the text *Archaeology: Discovering Our Past* but features less detail. Archaeological methods and theory are covered comprehensively--at a reasonable level of detail--in under 300 pages. Illustrative examples and case studies present a temporal and

geographic balance of both Old and New World sites. Abundant student aids include maps of archaeological areas, extensive illustrations, chapter introductions and summaries, a guide to further reading at the end of each chapter, a glossary, a bibliography, and an index.
