[How to Survive The Hunger Games](#) Houghton Mifflin Harcourt

When her dad is transferred, Rachel Wood is uprooted from her home in Pennsylvania and forced to enter a new high school, in 10th grade, in an affluent suburb in Westchester, New York. She finds herself in way over her head, as she struggles to come to grips with meeting new friends, finding a boyfriend, avoiding the cliques of mean girls, and figuring out how to survive in such a hostile new world. She has trouble navigating this new world, where drinking and drugs seem the norm, and where social pressures build on her from every direction. Everything seems to go wrong for Rachel, until salvation comes in the form of Rob, a football player who takes a liking to her. But just as their romance is about to blossom, she finds herself confused by his actions. As things reach a low point, Rachel meets a mysterious boy from her school, Benji, a loner who keeps apart from the other kids, and who takes her on a ride on his motorcycle. They have an unforgettable night together in an amusement park—until something goes horribly wrong, and Benji shocks her by saving her life. Rachel knows that Benji is different from everyone else, and she knows that he is the love of her life. And as their romance deepens, she has to decide if she is willing to give up everything to find out his secret... All 7 books in the series are available!

These vampires don't sparkle...they bite. Book 1 of the Blood of Eden trilogy by Julie Kagawa, New York Times bestselling author of *The Iron Fey*, begins a thrilling dark fantasy series where vampires rule, humans are prey...and one girl will become what she hates most to save all she loves. Allison Sekemoto survives in the Fringe, where the vampires who killed her mother rule and she and her crew of outcasts must hide from the monsters at night. All that drives Allie is her hatred of vampires, who keep humans as prey. Until the night Allie herself dies...a becomes one of the monsters. When she hears of a mythical place called Eden that might have a cure for the blood disease that killed off most of civilization, Allie decides to seek it out. Hiding among a band of humans, she begins a journey that will have unforeseen consequences...to herself, to the boy she's falling for who believes she's human, and to the future of the world. Now Allie must decide what—and who—is worth dying for...again. "A fresh and imaginative thrill ride." —Publishers Weekly, starred review Books in the Blood of Eden series: *The Immortal Rules* *The Eternity Cure* *The Forever Song*

The Saints Tor Teen

It was just another ordinary day at McKinley High—until a massive explosion devastated the school. When loner David Thorpe tried to help his English teacher to safety, the teacher convulsed and died right in front of him. And that was just the beginning. A year later, McKinley has descended into chaos. All the students are infected with a virus that makes them deadly to adults. The school is under military quarantine. The teachers are gone. Violent gangs have formed based on high school social cliques. Without a gang, you're as good as dead. And David has no gang. It's just him and his little brother, Will, against the whole school. In this frighteningly dark and captivating novel, Lex

Thomas locks readers inside a school where kids don't fight to be popular, they fight to stay alive.

A Mother's Journey Harper Collins

After barely escaping the Mission alive, Gene and Sissy face an impossible task: staying alive long enough to stop an entire world bent on their destruction. Bound on a train heading into the unknown with the surviving Mission girls, Gene, Sissy, David, and Epap must stick together and use everything they have to protect each other and their only hope: the cure that will turn the blood-thirsty creatures around them into humans again. Now that they know how to reverse the virus, Gene and Sissy have one final chance to save those they love and create a better life for themselves. But as they struggle to get there, Gene's mission sets him on a crash course with Ashley June, his first love . . . and his deadliest enemy.

The Prey Putnam Adult

Adam has killed again. It had to be done, part of him knows that, but it changes a person. It can certainly change a teenager who's already grown up too quickly, too harshly, in the wake of the catastrophic global blackout five months ago. In the name of safety and survival, Adam and his neighbors have turned their middle American suburban neighborhood into a fortress, defending against countless enemies. Adam wants to hope, wants to be what his girlfriend Lori wants him to be—but there's always a threat tugging at the edges of his consciousness. What's lurking in the dark

is a greater danger than ever before: somebody who wants to destroy the Neighborhood and stop their strategic alignments with other powerful enclaves. More than that, though, it's personal: this somebody wants to destroy Adam. And he knows his prey is already wounded. Soon, the hunted becomes the hunter . . . and Adam hates himself for what he will have to do. Because sometimes even the dark is not cover enough for things that would never happen in the light.

Don't Sweat. Don't Laugh. Don't draw attention to yourself. And most of all, whatever you do, do not fall in love with one of them. Gene has a deadly secret: he's one of the last remaining humans alive and he's trying to pass in a society of predators who hunger for his blood. Unlike his classmates, he can't run with lightning speed, sunlight doesn't hurt him and he doesn't have an unquenchable blood lust. Gene's only defense lies in his carefully constructed façade, but when he's chosen for a once-in-a-lifetime opportunity to hunt the last remaining humans, Gene's life begins to crumble around him, especially when he's faced with disturbing new truths about his past and a destiny he never imagined. An action-packed debut from author Andrew Fukuda, the Hunt Trilogy follows Gene as he fights to escape the hungry predators chasing. Get caught up in the action with *The Hunt*, *The Prey* and *The Trap*. Together for the first time in one collection.

The Hallowed Ones Springer

The Hunger Games meets *Matched* in this high-concept thriller where citizens must prove their worth by defeating the other version of themselves—their twin. Two of you exist. Only one will survive. West Grayer is ready. She's trained for years to confront her Alternate, a twin raised by another family. Survival means a good job, marriage—life. But then a tragic misstep leaves West questioning: Is she the best version of herself, the version worthy of a future? If she is to have any chance of winning, she must stop running not only from herself, but also from love . . . though both have the power to destroy her. Fast-paced and unpredictable, Elsie Chapman's suspenseful YA debut weaves unexpected romance into a chilling, unforgettable world. Praise for *Dualed*: "A gripping, thought-provoking thriller that keeps your heart racing and your palms sweaty. . . . The kind of book Katniss Everdeen and Jason Bourne would devour." —Andrew Fukuda, author of the Hunt series "Full of unexpected turns. . . . Fans of the Divergent trilogy will want to read this imaginative tale."

—VOYA "A fast ride from first to final pages, *Dualed* combines action and heart." —Mindy McGinnis, author of *Not a Drop to Drink* "Intense and swift, *Dualed* grabbed me by the throat and kept me turning pages all the way to the end. Romance and action fans alike will love it." —Elana Johnson, author of the *Possession* series "Stylish, frenetic, and violent, . . . the textual equivalent of a Quentin Tarantino movie."—Publishers Weekly "A double dose of intensity and danger in this riveting tale of survival, heartache, and love."—Kasie West, author of *Pivot Point* "This thought-provoking survival-of-the-fittest story will leave you breathless for more." —Ellen Oh, author of *Prophecy* "Clever suspense—here, stalking is a two-way street." —Kirkus Reviews

A Brief Look at Katniss's Survival Strategy Houghton Mifflin Harcourt

Saba's passion kept her allies alive. Now it may destroy them all in the gut-wrenching third book in the highly praised *Dust Lands* trilogy, which MTV's Hollywood Crush blog called "better than *The Hunger Games*." Saba is ready to seize her destiny and defeat DeMalo...until she meets him and he confounds all her expectations with his seductive vision of a healed earth, a New Eden. DeMalo wants Saba to join him, in life and work, to create and build a healthy, stable, sustainable world...for the chosen few. The young and healthy. Under his control. Jack's choice is clear: to fight DeMalo and try to stop New Eden. Presumed dead, he's gone undercover, feeding Saba crucial information in secret meetings. Saba commits herself to the fight—and hides her connection with DeMalo. Joined by her brother, Lugh, and her sister, Emmi, Saba leads a small guerilla band against the settlers and the Tonton militia. But the odds are overwhelming. Saba knows how to fight—she's not called the Angel of Death for nothing. But what if the fight cannot be won? Then DeMalo offers her a seductive chance she may not be able to refuse. How much will she sacrifice to save the people she loves? Betrayal lurks in unexpected places in the breathtaking conclusion to the *Dust Lands* Trilogy.

The Prey Macmillan

My name is Tegan Oglietti, and on the last day of my first lifetime, I was so, so happy. Sixteen-year-old Tegan is just like every other girl living in 2027--she's happiest when playing the guitar, she's falling in love for the first time, and she's joining her friends to protest the wrongs of the world: environmental collapse, social discrimination, and political injustice. But on what should have been the best day of Tegan's life, she dies--and wakes up a hundred years in the future, locked in a government facility with no idea what happened. Tegan is the first government guinea pig to be cryonically frozen and successfully revived, which makes her an instant celebrity--even though all she wants to do is try to rebuild some semblance of a normal life. But the future isn't all she hoped it would be, and when appalling secrets come to light, Tegan must make a choice: Does she keep her head down and survive, or fight for a better future? Award-winning author Karen Healey has created a haunting, cautionary tale of an inspiring protagonist living in a not-so-distant future that could easily be our own.

Kisses from Hell Little, Brown Books for Young Readers

Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting

his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.

The World of the Hunger Games The Hunt

Two hundred years after a stronger, faster, nearly invincible race takes over the earth, when the Superiors rule humanity with scorn and an iron fist - or iron fangs, lower-class Superior Draven Castle is captivated by Cali, a runaway human who maintains a spirited outlook despite her circumstances, and begins to take increasingly more dangerous risks in order to protect and obtain her.
